

Colt strengthens leadership strategy with key appointment of Louisa Gregory

London, 7 December 2017 – [Colt Technology Services](#) today announced the appointment of Louisa Gregory as Chief of Staff of the company. Louisa forms part of the Executive Leadership Team (ELT), reporting directly to Carl Grivner, Chief Executive Officer (CEO). As Chief of Staff, Louisa will play a pivotal role in ensuring that the company is focused on delivering in key areas of the company's [growth strategy](#). The strategy includes investing in building an intelligent network to meet the businesses requirements of today's enterprises and a commitment to a customer oriented approach.

Carl Grivner, CEO, stated: "We are delighted to have Louisa as part of the executive leadership team. Her strategic vision, international experience and knowledge in employee engagement will further support Colt's network expansion and growth strategy globally."

Louisa Gregory, Chief of Staff, commented: "I am excited to continue my journey at Colt. It is a very dynamic company with a razor-sharp focus on executing strategy. One of my key aims will be to focus on building and shaping Colt's strategy, ensuring we continue to foster our customer first approach globally."

Louisa has recently relocated to London, after joining Colt in June 2016 in Singapore, where she was responsible for HR Operations in Asia, as well as operations of the Singapore entity. Previously, Louisa was Chief of Staff of Pacnet (now Telstra) and supported the development and execution of the data centre growth strategy across Asia, as well as M&A activity.

Louisa's career spans 22 years with extensive experience in roles across human resources, customer experience and operations in the telecoms industry. Louisa is also a graduate of Harvard Business School.

About Colt
